

Happiness Child

In each balloon, write one thing in your life that fills your heart with happiness!

"Happiness!
"Think of all the love and happiness you and other chelas find in knowing the MAHANTA is always with you. The world has plenty of dark places, but the love and happiness you carry inside you lifts up all who need a smile. . . .
"You are a happiness child. Isn't it grand?"
—Sri Harold Klemp, *The Mystic World*, December 2017
